Voltaro Glide-S1 - Dealer Brochure (fictional demo, draft from an agency)

Why riders love it

The Glide-S1 is the fastest electric scooter in India and the cheapest way to beat traffic.
Ride up to 110 km on a single charge and reach a top speed of 80 km/h.
Every scooter comes with a 5 years battery warranty, guaranteed.

Charging

Charge 0-80% in 60 minutes with the Voltaro Fast Charger at any dealer.
